### Correspondence with North Northants Council

28/09/2021 Email to Ward Councillors requesting support to secure a safer crossing across A45

27/10/2021 Email from GC (via HH) suggesting including it in the levelling up fund

Feb 2022 SPC suggested that a safer crossing to Stanwick Lakes be included in the ‘levelling up fund’ scheme. This submission was unsuccessful.

April 2022 North Northamptonshire Strategic Plan Scope and Issues Consultation SPC response:

**Q 29** What are the key infrastructure priorities that need to be delivered in North Northamptonshire and how can they be best be delivered?

A key infrastructure priority should be the dualling of the A45 between Stanwick and the A14 and the provision of a safe crossing point over the A45 at Stanwick round about
