The Council has started work on a new tourism hub at Rushden Lakes which will promote the **<u>hub</u>** expected to be open in time for English Tourism Week in March and the Easter holidays. Integrated Care Northamptonshire (ICN) is excited to share its newly launched 10-year strategy 'Live Your Best Life' so that every person in Northamptonshire is inspired to do just that. This strategy has been developed by NHS providers, local councils, voluntary and

community organisations and other partners, with a focus on enabling residents to benefit from opportunities to live their best life, whoever they are, and wherever they live in the county. Residents across North Northamptonshire can now sign up for our new optional, chargeable, 12-month garden waste collection service. The annual subscription charge for the fortnightly service, with collections starting on Monday 3 April, is £40 per bin. I have provided more details on this below. As mentioned in my last update, we launched our **Draft Budget 2023/24 Consultation** on Friday

22 December and are keen to get your views. The consultation will close at midnight tonight (Friday 27 January) so please don't miss your opportunity to have your say and shape future plans via our consultation portal. Our grant scheme, the Member Empowerment Fund, closes on Monday 6 February so please don't delay your application. Each councillor is allocated yearly funding for small communitybased projects. Money can be awarded to parish or town councils, community groups,

The hub will be open seven days a week and will be located next to the cinema entrance. A dedicated Discover Northamptonshire team will work at the centre to capitalise on the 6 million visitors who visit Rushden Lakes annually. The team will encourage them to stay longer in the area, visiting other attractions in the county and supporting local tourism. The hub will be a fully interactive space, promoting all things Northamptonshire and the surrounding areas, including days out, attractions, walks, town and village offerings, places to eat, sustainable transport, heritage, accommodation and events. A retail space will promote small and local business, rotating stock on a regular basis to give a variety of businesses the chance to showcase their products and reach a large audience, whilst a

flexible events and conferencing space will allow workshops, talks and events to be held.

Once open, staff will work with partners including local schools, colleges and universities to provide learning and volunteering opportunities for those interested in working in the tourism sector. Staff will also work with local businesses to promote the area and encourage visitors to Discover Northamptonshire, asking the question: 'Where next to visit in Northamptonshire?'

Although the site will be operated by the Council, the team has worked closely with West Northamptonshire Council on the hub's branding. Both councils plan to launch a new long-term tourism strategy for the county which will coincide with the opening of the new hub and will look at promoting the county, working closely with partners and stakeholders within the industry. The Discover Northamptonshire hub will be a key element of this strategy for Northamptonshire. opportunities, plus an ambition of better access to health and care services, right through to the end of life. A set of 10 'Live Your Best Life' ambitions have been developed to deliver better outcomes for the people of Northamptonshire over the coming years. Each ambition looks at steps we need to take together to improve outcomes, engaging our residents in the process. We're already engaging and involving our local communities with strategy delivery, ensuring our residents' voices are at the centre of all we do. Our new Local Area Partnerships (LAPs), represent neighbourhoods and localities of between 30,000 and 50,000 people. These give a voice to residents, involving them in new services and solutions. This is guided by a Community Engagement Framework (CEF), setting out how we will engage with the public. LAPs and CEFs will be integral in achieving our 10 'Live Your Best Life' ambitions. Buckingham Palace has announced further details on the ceremonial, celebratory and community events that will take place over the Coronation Weekend between Saturday 6 and Monday 8 May. Saturday 6 May - The Coronation Service at Westminster Abbey The Coronation of His Majesty The King and Her Majesty The Queen Consort will take place at Westminster Abbey. The Service will be conducted by the Archbishop of Canterbury. The Service will reflect the Monarch's role today and look towards the future, while being rooted in longstanding traditions and pageantry. Their Majesties The King and The Queen Consort will arrive at Westminster Abbey in procession from Buckingham Palace, known as 'The King's Procession'. After the Service, Their Majesties will return to Buckingham Palace in a larger ceremonial procession, known as 'The Coronation Procession'. Their Majesties will be joined in this procession by other Members of the Royal Family. At Buckingham Palace, The King and The Queen Consort, accompanied by Members of the Royal Family, will appear on the balcony to conclude the day's ceremonial events. Sunday 7 May - The Coronation Concert at Windsor Castle Produced, staged and broadcast live by the BBC and BBC Studios, the Coronation Concert will bring global music icons and contemporary stars together in celebration of the historic occasion.

Attended by a public audience including volunteers from The King and The Queen Consort's many charity affiliations, the concert will see a world-class orchestra play interpretations of musical favourites fronted by some of the world's biggest entertainers, alongside performers from the world of dance.
