

Roadworks are starting in your area soon

What's happening, where and when?

What: Essential maintenance works to improve the condition and structural stability of the carriageway and improve safety for road users. Works include carriageway resurfacing and renewal of road markings. Gullies located within the works extents will be cleaned to ensure we make best use of the closure and to minimise disruption for residents in the future.

Where: Raunds Road, Stanwick

Date: Thursday 29th June to Friday 30th June

Times: 09:30 – 15:30

Traffic Management: Works will be carried out using a full road closure between junctions Green Lane and Cumberland Avenue. A fully signed diversion will also be in place during the works, as shown on the map below. The **red** line shows the road closure extents, and the **blue** line shows the diversion route. The road will be open, as usual, outside of the working hours stated above.

Residents/Businesses: Any residents/businesses within the road closure shall be allowed access/egress which will be controlled by our traffic management operatives who will be situated at the road closure points. Whilst we wish to cause minimal impact, access/egress will only be allowed when it is safe to do so for residents and our work force. We ask for your patience while we stop work to ensure it is safe to allow access into the site.

Public Transport: Please contact Stagecoach for further information on alternative routes as route X47 Gold will be affected.

Emergency Vehicles: Emergency vehicles will be granted access through the site at all times.

Parking and Property/Business Access

We will assist residents and business owners accessing and egressing their buildings. We also recommend you plan extra time for your journeys.

We hope this information is helpful and we apologise for any inconvenience these essential works may cause. We will make every effort to minimise any unnecessary disruption. Our team on site will be ready to assist you with any issues you may have during the work, and we hope you will find our employees courteous and helpful.

Information for residents

We know our works can cause disruption but will do our utmost to minimise any impact.
We apologise for any inconvenience caused.

Parking

Please don't park where you may cause an obstruction; doing so may result in your vehicle being issued with a Fixed Penalty Notice

Vehicle access

At times access may be limited. We will always do our best to allow access to homes and businesses.

Weather

Some work is weather dependant. We will keep you updated with any delays & changes via the advanced warning signs.

Special access requirements

If you have special needs or requirements please get in touch or speak to our staff on site.

General advice

If possible please avoid walking on newly laid material

If you do we suggest checking shoes before walking in carpets and flooring

Beware of rogue traders

North Northamptonshire Highways will not tout for private business.
