

Welcome to Stanwick

Information pack for new residents

Available to download from the home page of the
[Parish Council website](#)

Web address: www.stanwickparishcouncil.org.uk

Or collect from the Parish Office at the Village Hall
on Spencer Parade

Contents

- 4. Welcome and a brief history of Stanwick**
- 5. Stanwick Today**
- 6. Food, drink and entertainment**
- 6. Parish Fields**
- 7. Library Services**
- 7. Waste and recycling**
- 8. Street lights**
- 9. Stanwick Parish Council**
- 10. Local services**
- 12. Village contacts and websites**

A warm welcome to our village.

We have produced this pack to help you find your way around the village and the local area.

We know it can be daunting moving into a new home so hopefully the information in this pack will give you a few pointers to local amenities, services and places of interest, along with a few useful contact numbers.

A Brief History

Stanwick is a very old settlement, the name appearing as 'Stanwige' in the Domesday Book. The 13th century church of St Laurence dominates the local landscape and its octagonal tower and spire is considered an architectural beauty. There was a Roman settlement in Stanwick and the site of a villa was pinpointed in 1979.

The Roman Villa site, close to Stanwick by-pass, revealed a particularly fine example of a villa floor mosaic, a cemetery, the foundations of a temple and other farm buildings and houses, making what must have been a small village. The site was excavated by English Heritage between 1985 and 1991 and the mosaics uncovered are now on display in the Stanwick Lakes Visitors Centre.

St Laurence Church was built circa 1224, on the site of an earlier Church, of which virtually nothing remains. It dominates the local landscape with its octagonal tower and spire. The weather cock is 157 feet above ground, and was given to the church in 1880 by the then landlord of the Duke of Wellington Public House.

In the Middle Ages, Stanwick was under the authority of the Abbots of Peterborough. Among the duties of the Abbot was to appoint the Rectors of Stanwick. Since the Reformation, the Lord Chancellor has appointed the Rectors on behalf of the Sovereign.

Until the 18th century, employment in Stanwick was mainly agricultural, but then the village began to grow with the leather and boot industries. According to a statistical survey of shoemakers in Northamptonshire, Stanwick returned a larger than average proportion of shoemakers to all listed men between the years 1762-81.

In 1998 Stanwick Millennium Group was formed to raise money to erect a village sign to commemorate the forthcoming Millennium and in 2000 the Millennium Sign, as shown on the front cover of this Welcome Pack, was unveiled on Spencer Parade with a time capsule buried in the plinth.

The year 2000 saw the creation of the Stanwick Parish Council following a public campaign.

Stanwick Today

Stanwick is a busy community with lots to offer all age groups and many ways to get involved in community life.

There are several key village events each year.

Stanwick 10k Road Race & 2k children's fun run has been held on Easter Monday since 2001 and has a maximum of 400 entries, from all over the country. Trophies include Fastest Stanwick Man and Fastest Stanwick Woman.

The 'Village Evening' is held at the primary school early in July. It is both a summer fete fundraiser for the school and a whole village social event.

August hosts the Church Fete and Annual Teddy Parachute Jump. Teddy Bears parachute from the church spire and receive a certificate for their bravery.

The Christmas Fayre is held in December along with Christingle Services at St Laurence Church together with other Christmas services.

December has the Christingle service in St Laurence Church, various Christmas services and in recent years the Pop-Up nativity.

Christmas bazaars are held by the primary school and the playgroup.

Community groups come together to celebrate special occasions. In 2016 there was a street party to celebrate HM The Queens 90th Birthday.

There are many things to do during the week. The village hall which opened in 2011, hosts a range of activities in a modern facility. Details of groups that meet there are available from Rebecca, the Village Hall Manager.

If you are interested in starting a new group, Rebecca will be pleased to hear from you. (See page 11 for contact details)

Other groups meet at nearby locations, such as Stanwick Club or St Laurence Church.

The recreation ground is home to Stanwick Bowls Clubs and Stanwick Rovers Football Club.

Stanwick Rovers Football Club has a number of teams, both adult and junior.

Stanwick Bowls will be 100 years old in 2023 and welcomes new members. No previous experience required. They are a lawn bowls club (6 rinks), is also a Short Mat Club with 2 Mats, played in their Club House. Friendly matches played in both disciplines.

Adult outdoor fitness equipment is freely available at the recreation ground.

Parish Fields is a 10 acre site on Raunds Road purchased by the Parish Council in 2009. There is a pocket park with community orchard, allotments and a community garden with social area.

Stanwick has good services too.

The Shop@stanwick on High Street is a general store and Post Office. Close by is the dog grooming parlour, wine bar and pub. Potter & Sons, the butchers, are on Spencer Parade.

Stanwick Lakes is a unique 750 acre countryside attraction and nature reserve and is widely considered to be one of the region's most imaginative outdoor activity destinations. It offers the best of both worlds: extensive play areas to keep adventurous families entertained for hours, and for nature lovers, walkers and cyclists, acres of wide open spaces and paths, where blue skies are reflected in tranquil waters.

Entry is free but there are car parking charges. It is possible to buy an annual parking pass that gives members unlimited car parking access to the site (during opening hours). Ask at the Visitor Centre for more information.

Food, drink and entertainment

There are a number of options in Stanwick.

The Duke of Wellington Public House on Church Street offers good food, quiz nights, and entertainment evening.

'For the love of Wine' on Spencer Parade offers wine and tapas in the evenings with coffee and cake during the daytime

'V&V' Chinese take away on Church Street opens most evenings.

Stanwick Hotel offers a restaurant alongside accommodation.

Stanwick Club, a former working men's club, is a members only social club that has entertainment evenings.

Stanwick Film Night is held in St Laurence Church.

Stanwick Village Hall is host to various events and regular groups.

Parish Fields

In 2009, the Parish Council purchased 10 acres of land from Taylor Wimpey for the benefit of Stanwick residents.

The derelict site had been unused since the 1970s when the turkey farm closed down.

Parish Fields can be found on Raunds Road. There are kissing gates on to the site from Raunds Road and from the land to the rear. It is open, without charge, all day, every day.

A **pocket park** has been created by volunteers and is managed by the Stanwick Pocket Park Group (SPPark). It's a good place to take a stroll, walk the dog (please clean up after your dog) watch the wildlife or have a picnic. A BBQ has been built on the site which you are welcome to use.

SPPark have planted a **community orchard** which is developing well.

In 2015 the **Allotments** and Community Garden were created following a win of £50,000 from the ITV Peoples Millions/Big Lottery scheme.

Contact the Parish Clerk if you would like to go on the waiting list for an allotment. In the meantime, you can get involved in the **Community Garden**.

The **Community Garden** is run by a group of residents and is aimed at those who like the idea of gardening and growing produce but are daunted by the prospect of having an allotment or have little outdoor space at home. Both our pre-school and primary school are getting involved.

Both the Allotments and Community Garden are new ventures and are developing every year.

Stanwick Environmental Project is another community group that is interested in improving Stanwick as a place to live and work. STEP, as they are known, maintain the flower boxes by the Welcome to Stanwick signs and by the village sign, organise Operation Spring Clean and the autumn brook clearance and plant spring bulbs in public areas. They are funded by public donation. In 2016 they established a rose garden opposite the church to remember Stanwick's fallen heroes.

All of these groups warmly welcome new comers, whatever their ages, abilities or experience.

Library services

Our nearest library is Raunds Library, High Street, Raunds, NN9 6HT

Tel: 0300 126 1000

E-mail: raunlib@firstforwellbeing.co.uk

Opening hours: Due to issues with the County Council, please check with the library direct about their opening times.

Library members can access a range of e-books, e-audiobooks, e-newspapers and e-magazines from home through the Library Services online subscriptions.

For anyone who is not currently a member, it is easy to join the library as a virtual member and take advantage of these resources. This link will take you to the [Northamptonshire County Council webpage](#) that allows you to join.

Waste & Recycling

The collection day for Stanwick is generally Monday, including most bank holiday Mondays. Your rubbish needs to be ready for collection from 7 a.m.

The small silver food caddy is to use day to day in the kitchen. The larger green food caddy (with a secure lid to keep animals out) is for putting out for weekly collection by the refuse / recycling crews.

Your grey/black lidded wheeled bin is for rubbish which cannot be recycled. The crew will not take any extra bags of rubbish left on top of or beside the bin and the lid should be shut.

Your green lidded wheeled bin is for your recycling and items should be placed loose into this bin. Extra recycling in clear sacks can be placed next to your wheeled bin on recycling week and will be collected. Please see the East Northamptonshire Council website for details of what can and what can't go into the recycling wheelie bin, 'What goes in your bin'.

The wheelie bins are emptied on alternate weeks e.g. green one week, grey the next. Go to the East Northamptonshire Council website 'Find my Bin Collection Day' to check you next collection day details.

East Northamptonshire Council has a wheeled bin policy that states:

"Wheeled bins should be put out no earlier than 6pm on the day prior to the day of collection, and not left at the curtilage for any longer than necessary.

Wheeled bins should not be placed on the highway, where they will obstruct cars, pedestrians or refuse collection vehicles. (This provision excludes private drives where it is up to the residents to find a suitable location). Care should be taken not to obstruct access by emergency vehicles."

Garden Waste Club

East Northamptonshire Council offer the Green Waste Club for garden waste. This is a subscription service which is taken out for a year at a time.

It provides a brown wheelie bin that is collected once a fortnight. The scheme will collect: Grass clippings, prunings, fallen leaves, plants, flowers, weeds, hedge trimmings, twigs / woody material (less than 50mm / 2 inches thickness)

For more information and to join the scheme please contact customerservices@east-northamptonshire.gov.uk or 01832 742000

Street lights

The vast majority of street lamps in Stanwick are maintained by Balfour Beatty on behalf of Northamptonshire County Council. If there is a problem with a street lamp, this can be reported online via enquiries@lightingnorthamptonshire.com or by phone on 0800 0850 257.

There are a few exceptions.

Green Lane lamp columns are maintained by Stanwick Parish Council as the footpath is a public right of way.

The lamps on the footpath between Spencer Parade and Mansfield Street are also maintained by Stanwick Parish Council.

Marks Close and Samuels Close have not been adopted by Northamptonshire County Council. This means that the lighting remains the responsibility of the builder.

The footpath with three lamp columns between numbers 34 & 36 Raunds Road that leads to Cumberland Avenue is the responsibility of Spire Homes. Spire Homes can be contacted on 01933 410044

Pot holes & other road problems

Problems with roads and pavements should be reported to Northamptonshire County Council's Street Doctor.

This can be done via their [website via this link Northamptonshire.gov.uk](http://Northamptonshire.gov.uk) in the 'Highways' section.

Stanwick Parish Council

Stanwick Parish Council was created in 2000 following community demand for Stanwick to have its own Council. Before this, Stanwick was administered by Raunds Town Council.

Parish Councils in England and Wales have a number of basic responsibilities in making the lives of local communities more comfortable, many of which are often taken for granted.

Parish and town councillors represent the people living in their local area at the closest level to the community. When decisions are being made they are there to put your views across.

Meetings are generally held at 7.15 p.m. in the Committee Room of the Village Hall. Everyone is welcome to come along and there is always an opportunity to have your say when the meeting is opened to the public early in the meeting.

If you would like more information, meeting dates etc, please see the Council website or contact the Parish Clerk.

The website for Stanwick Parish Council is stanwickparishcouncil.org.uk
